10. **Vantis** is a Nevada corporation, licensed and doing business in Texas, and will receive actual notice of the filing of this Original Complaint through service upon its registered agent, June Pape, 2120 Walnut Hill Lane, Suite 100, Irving, Texas 75038.

INTRODUCTORY FACTS

11. Harness is a professional photographer, and is the author (photographer) of, and at all times relevant to this claim, has been and is now the sole owner and proprietor of all right, title and interest in and to the copyrights in certain collections of photographs known as "*Photographs 2000 Vol. 1*" One photograph within this collection was originally created by Plaintiff for advertising use by the architect of the structure (**Exhibit 1**).

12. Harness has complied in all respects with Title 17 of the United States Code (Copyright Act of 1976) and all other United States laws governing copyrights, and has secured the exclusive rights and privileges in and to the copyrights to the above-described photographs.

13. Harness owns certain rights in and to Copyright Registration Number V Au 492-275 issued by the U. S. Registrar of Copyrights in Washington, D.C. for photographs within said collection of images deposited with and covered by said registration (**Exhibit 2**).

14. Harness's copyrights in the above-described work is presently valid and subsisting, and was valid and subsisting from the moment of its creation in the year 2000, and all conditions precedent to the filing of this suit have occurred.

INFRINGEMENT FACTS

15. On or about October 5, 2000, Harness delivered three print copies each of two images to Defendants. The license authorized the prints to be used for display purposes, in accordance with the verbal desires of Wilson to hang them on the walls of his offices. The agreement and license is attached hereto as **Exhibit 2A**.

16. On or about August 20, 2003, Harness became aware that Defendants had, without authorization, made one of his images accessible to many Internet travel websites, advertising the availability of their hotel rooms for rent (**Exhibit 3, listing of URLs**).

17. Plaintiff hired an attorney, who, on January 30, 2004, demanded that Defendants cease and desist from their use of Harness' copyrighted image (**Exhibit 4**). Defendants however, failed or refused to do so, and Harness was forced to demand that dozens of Internet hotel reservation websites cease and desist pursuant to the Digital Millenium Copyright Act (**Exhibit 5, sample letter**).

18. Based on documents provided by Wilson and the Intervest-Bradford entities, it appears that the entity that caused Plaintiff's copyrighted image to be available for viewing on hundreds of internet hotel reservation web sites was Vantis USA, Inc. Because Vantis profited each time a reservation was placed using Plaintiff's image, it is therefore a joint or contributory infringer.

CAUSES OF ACTION

19. Thus, for many months, and without Plaintiff's authorization, Defendants have willfully infringed Plaintiff's copyrights in and to the above-described image by publishing and/or otherwise using, and/or by scanning, copying, and/or reproducing, or allowing unauthorized copies of said photograph to be displayed within and without the United States.

CAUSATION/DAMAGES

20. As a direct and proximate result of Defendants' above-described acts of copyright infringement, Harness has sustained actual damages in an amount not yet ascertained, but which is believed to be in excess of \$100,000. Such actual damages include, but are not limited to, lost profits and/or lost licensing revenue, research time tracking down and documenting the infringements, and attorney time spent placing joint infringers on notice of the infringements under the DMCA, and getting the image removed from many dozens of servers and web sites.

RELIEF REQUESTED

21. Harness demands an accounting by Defendants of their activities in connection with their infringements of his copyrights in and to the above-described and attached photograph, as well as their gross profits and income derived therefrom.

22. Harness is entitled to and seeks to recover actual damages plus the profits of Defendants attributable to the infringements.

23. Alternative to actual damages and profits attributable to the infringements, because the image was registered prior to Defendants' infringements, Harness is entitled to and seeks to recover statutory damages up to but not exceeding \$150,000 (One Hundred Fifty Thousand Dollars), plus reasonable and necessary attorneys fees.

HARNESS DEMANDS JUDGMENT AS FOLLOWS

24. Defendants, their agents, employees and/or servants be enjoined *pendente lite* and permanently from infringing Harness' copyright in any manner whatsoever, and from publishing through any visual media, and from selling, marketing or otherwise distributing any of his

images;

25. That Defendants be required to deliver up, under oath, for impounding during the pendency of this action, and for destruction thereafter, *all images* which infringe Harness' copyrights, and all prints, film negatives, magnetic tapes, digitally scanned and/or stored images, and all other articles by means of which such infringing copies may be reproduced, which are in the possession or under the direct or indirect control of Defendants;

26. That Defendants be required to pay over to Harness his actual damages sustained, in addition to all their profits attributable to the infringements, and which are not taken into account in computing Harness' actual damages incurred as a result of Defendants' copyright infringements described herein;

27. That Defendants provide an accounting of all gains, profits and advantages derived by them as a result of the willful and unlawful acts of copyright infringement above-described;

28. That Defendants pay to Harness his costs and attorney's fees; and

29. That Harness have such other and further relief as this court shall deem just and proper.

Plaintiff, Brian Harness d/b/a Brian Harness Photography, demands a jury trial on all issues except the amount of his attorney's fees that are recoverable.

Respectively submitted,
